### Message from the president:

As November nears to the end, I am thankful for so many things. Especially thankful for all of our volunteers who made Comet Challenge such a success, the kindergarten showcase decorations shine, and for each of you who help make PTA shine.

Our theme during Comet Challenge was we can all do a small part to create something big. Our Comets certainly SHINED! I am so proud of our Comets, the funds raised and to see the progression of the playground.

### Holiday Shop

We will not be doing the Holiday Shop this year. As Carillon is growing, we no longer have space for the holiday shop.

### Comet Challenge Success!

This event was a huge undertaking for the PTA and the school.

Students, staff, teachers, parents, volunteers, PTA members, we did this together! Thank you for making our first Comet Challenge such an amazing success.

We raised **\$46,790.62!!!!**

The playground committee is already hard at work to get the playground timeline moving and we can't wait to share more news as it becomes available.
